

PowerDeer™ Tubs provide a convenient, nutrient-dense way to deliver distillers grains (DDGS) to free-range and penned deer. The products are packed with a blend of minerals including zinc, phosphorus and calcium that can optimize rumen health, performance, and support larger antler growth.

PowerDeer™ Tubs come prepared with garlic flavor, which is highly palatable to deer, ensuring attraction and consumption year-round.

DISCOVER DISTILLERS GRAINS

- DDGS are rich in protein, fat, minerals, and vitamins, providing more energy than whole corn

MULTI-BENEFIT GARLIC FLAVOR

- High palatability of garlic flavor supports consistent consumption
- Research has shown that garlic may help protect deer from parasites like flies, ticks, and lice

FOR HOOVES, ANTLERS AND OVERALL HEALTH

- 28% protein, high levels of phosphorous, and calcium supports stronger antlers
- Additional zinc helps sustain a healthy life cycle
